About ESML

The European School of Management and Leadership (ESML) is a professional educational institution established in Prague by the law of the Czech Republic, European Union. ESML offers, Master of Business Administration (MBA), Bachelor of Business Administration (BBA) and Doctor of Business Administration (DBA). Thanks to this institution our graduates will get a Czech professional degree, entitling them to utilize this degree within the Czech business field.

The European School of Management and Leadership has been granted full accreditation by the International Association for Quality Assurance in Pre-Tertiary & Higher Education (QAHE) & also a proud member of the European Association for Higher Education Accreditation (EAHEA) and the European Academy of Management (EURAM). These memberships & Accreditation reflect ESML's commitment to maintaining high standards of education and continuous improvement in the field of business and management education.

ESML offers the following professional degree programs: Doctor of Business Administration (DBA), Master of Business Administration (MBA), and Bachelor of Business Administration (BBA).

Why European Education?

At ESML, we are redefining the future of education by offering high-quality, fully accredited online programs designed to fit into your life and career. Our mission is to empower students worldwide with the knowledge, skills, and global perspective needed to excel in today's dynamic business environment. As an online education provider based in Europe, ESML brings together the best of European education with the convenience and flexibility of remote learning.

Why Choose ESML?

- **Global Perspective**
Diverse student body and faculty foster a rich cultural exchange and global outlook.
- **Industry Integration**
Strong ties with leading corporations ensure practical relevance and real-world experience.
- **Sustainability Focus**
Emphasis on ethical and sustainable business practices for future readiness.
- **Extensive Networking**
Access to alumni connections and industry partnerships for career advancement.
- **Career Opportunities**
Internship placements, job prospects, and career development services.
- **Academic Excellence**
Renowned faculty and a reputation for academic rigor and quality.

Study at Your Own Pace, Wherever You Are

- **Learn from Anywhere:** Whether you're in Europe or across the globe, ESML's online programs give you access to world-class education without the need to relocate. All courses are designed to be accessible, providing you with interactive learning materials, live sessions, and a rich online community.
- **Interactive and Engaging Learning Experience:** ESML uses cutting-edge technology and online platforms to create a dynamic and engaging learning experience. Participate in live webinars, discussions, and collaborative projects with peers and faculty, all from the comfort of your own home.
- **Global Network:** Join a diverse and global community of students, faculty, and alumni. ESML's online programs foster international connections, helping you build a global network that can support your career advancement.

Why Prague?

ESML is proud to be based in Prague, Czech Republic, one of the world's leading centers for business, education, and innovation. Prague offers an exceptional quality of life, political stability, and global connectivity, making it an ideal environment for growth and development. With a diverse international community, Prague fosters collaboration, innovation, and creativity, which is reflected in ESML's approach to online education.

ACCREDITATIONS & MEMBERSHIPS

American Accreditation Association (AAA)

The European School of Management and Leadership (ESML) has earned prestigious accreditation from the American Accreditation Association (AAA), affirming its commitment to international standards of quality and competence. This recognition enhances ESML's global reputation and reflects its dedication to excellence in education. With AAA accreditation, ESML can confidently showcase the credibility of its programs to students, faculty, and potential partners worldwide, opening doors to new opportunities in the global education community.

European Academy of Management (EURAM)

ESML is a valued member of the European Academy of Management (EURAM), reflecting its commitment to advancing management education and research. This membership provides access to leading research, best practices, and a global network of experts, enhancing the quality of ESML's programs and academic contributions.

European Association for Higher Education Advancement (EAHEA)

ESML has earned accreditation from the European Association for Higher Education Accreditation (EAHEA), highlighting its commitment to delivering high-quality education that meets European and international standards. This accreditation ensures rigorous academic and operational excellence, enhancing the institution's credibility and recognition globally. It also strengthens ESML's reputation, opening doors for increased partnerships and collaboration worldwide.

ACCREDITATIONS & MEMBERSHIPS

International Association for Quality Assurance in Pre-Tertiary and Higher Education (QAHE)

The International Association for Quality Assurance in Higher Education (QAHE) is an independent global organization offering accreditation to higher education institutions, e-learning providers, and training organizations. QAHE accreditation reflects a commitment to international quality standards, enhancing the institution's global reputation, increasing student admissions, and enabling dual degree programs. Accredited institutions are also featured on the QAHE website.

QUALIFIED

ESML has earned a prestigious 3-star rating from the European Association of Higher Education Advancement, highlighting its commitment to high-quality education and leadership excellence. Known for its strong academic programs, innovative teaching, and industry connections, ESML prepares students for successful careers in management and leadership. This rating reflects ESML's dedication to continuous improvement and excellence in higher education.

International Organisation for Standardisation (ISO)

The European School of Management and Leadership (ESML) has successfully achieved ISO certification, demonstrating its commitment to excellence in education, quality management, and international standards. This certification reflects ESML's dedication to providing high-quality academic programs, ensuring continuous improvement, and maintaining best practices in institutional operations. By meeting ISO standards, ESML strengthens its credibility and reinforces its mission to deliver world-class education and leadership training to students and professionals globally.
