About Paris American International University (PAIU)

Paris American International University is a French-authorized learning university that allows students to earn diplomas from France. Delivering world-class education, PAI University offers an extensive global experience that helps students build a new perspective on life. This introduces the core principles for innovation, personal development, and providing tools that aid career advancement. PAI University provides students with resources and courses that help them understand global trends and equips them for the global market.

The courses are career-oriented with updated information about the latest technology and business practices. Our courses, content, and training materials follow the latest education trends. We allow students to enjoy a dual form of learning – French and American education format. We believe everyone has the right to good education. With our education format it's easy to get a European degree at PAI University.

Recognition

French Ministry of Education Registry

The Rector of the Paris Academy, Rector of the Ile-de-France, the educational authority for Paris has approved PAI University as a higher education establishment. The Rector of the Paris Academy is under the jurisdiction of the Ministry of National Education and Youth.

Qualiopi

PAI University is certified Qualiopi based on the French standards.

Qualiopi is a French certification that certifies the quality of the educational services provided (professional training, skills assessments, validation of prior experience, learning, etc.) under a single frame of reference.

Qualifi

PAI University is certified by Qualifi which is a recognised UK awarding organisation regulated in England by the Office of Qualifications and Examinations Regulation (Ofqual).

Doctor of Business Administration

Doctor of Business Administration is intended for accomplished management professionals, consultants, entrepreneurs, executives, and leaders interested in acquiring a real competitive advantage in the management field or pursuing a career in higher education.

This professional Doctor Program in Business Administration is designed to provide participants with the opportunity to make significant contribution to both theory and practice in the field and to develop professional practice at the highest level.

It is a practical and research-based doctoral program in business and industry which is designed for mid-career executives who have already completed the MBA (or equivalent qualification) and are looking to further enhance their practical and theoretical knowledge in the field. As such it is a specialist qualification which is aimed at professional development in business and industry.

It will help students apply research-based thinking to business ideas while deepening and broadening their ideas of business practice. The program provides students with innovative approaches for integrating academic knowledge with professional practice.

Learning Management System

A Glimpse of the LMS (Learning Management System) Platform

The screenshot shows a web-based Learning Management System (LMS) interface. The top navigation bar includes a back arrow, a search bar, and a user icon. The main content area is titled "Plan Risk Responses". On the left, a sidebar shows a course titled "Project Management - PAIU" with a progress bar at 80% COMPLETE. The sidebar lists several video lessons under "Introduction & Project Environment" and "Role of Project Manager & Processes". The main content area contains three colored boxes: a green box for "Inputs" (Project Management Plan, Project Documents, OPA – Organization Process Assets, EEF – Enterprise Environment Factors), a yellow box for "Tools and Techniques" (Expert Judgement, Data Gathering, Data Analysis, Interpersonal & team Skills, Decision Making, Strategies for overall Risk, Strategies for threats / opportunities, Contingent response strategies), and a blue box for "Outputs" (Change Request, Project Management Plan, Project Documents Updates). At the bottom right is the "libmIndia.in" logo. A "Complete and Continue" button is located at the bottom of the main content area.

Learning Platform Navigation (Recorded Lectures)

The screenshot shows a Zoom meeting interface. The top bar includes a back arrow, a speaker icon, a "REC" button, a "Zoom" logo, and a "Leave" button. The main content area is titled "(B) Collection of secondary information →". Below the title are several icons: a blue book icon labeled "Secondary Research", an orange globe icon, a green document icon, a brown bar chart icon, and a blue line graph icon. To the right of these icons is a list of secondary information sources: Census survey, National sample survey reports, 5 years plans, India year book, Economic survey reports, and Political survey reports. At the bottom of the screen are standard Zoom meeting controls: Unmute, Start Video, Participants (21), Chat, Reactions, Share, Captions, and Whiteboards.

Zoom Meeting Application (Live Lectures)

Please note that the images displayed do not represent the actual program. For an authentic experience of the learning platform, we encourage you to contact an admissions counselor for a real-time demonstration.
