About American Management University

American Management University is a nonprofit, internationally focused institution dedicated to developing ethical and effective leaders through rigorous, flexible, and career-relevant education. Registered in the Republic of France, AMU operates as a legally authorized private distance-learning institution under the French Ministry of Education (Code de l'Éducation: L444-1 to L444-11, R444-1 to R444-28).

AMU's global credibility is reinforced through recognitions and memberships with highly respected bodies, including the International Accreditation and Recognition Council (IARC), MACCA – Management and Accreditation Council for Colleges & Academies, QAHE – International Association for Quality Assurance in Pre-Tertiary & Higher Education, the Accreditation Council for Business Schools and Programs (ACBSP) – Educational Member, the Association for Transnational Higher Education Accreditation (ATHEA) – Institutional Member, the International Accreditation Council for Business Education (IACBE) – Educational Member, the European Council for Business Education (ECBE) – Institutional Member, and the Council on International Higher Education Supervision (CONIES) – Affiliate Member.

Accreditations & Memberships

American Management University has gained Membership status from the Accreditation Service for International Schools, Colleges and Universities (ASIC). Membership certificate can be viewed [here](#).

American Management University has gained Membership status from the Accreditation Service for International Schools, Colleges and Universities (ASIC).

American Management University has gained Membership status from the Accreditation Service for International Schools, Colleges and Universities (ASIC). ASIC is recognized by UKVI in UK and is a full member of The International Network for Quality Assurance Agencies in Higher Education (INQAAHE), is a member of the BQF (British Quality Foundation) and is an institutional member of EDEN (European Distance and E-Learning Network).

American Management University is an Educational Member of the International Accreditation Council for Business Education (IACBE) located at 11960 Quivira Road in Overland Park, Kansas, USA. Educational members have not yet undergone accreditation reviews and do not have business programs that are accredited by the IACBE.

International Alliance of Business Professionals (IABP), U.S., a non-profit professional association is an organization dedicated to helping professionals network with one another, mentorship, and business research. AMU is an official partner of IABP and students are encouraged to join IABP to share their research with fellow students and professional at conferences held by the organization.

Mercosul Accreditation Agency is a renowned organization providing private institutional and programmatic accreditation for higher education institutions with an international reach. Backed by a team of dedicated experts, MACCA is committed to upholding high-quality standards and helping institutions achieve global educational excellence.

Its private accreditation process ensures adherence to the highest academic and professional standards. We are proud to share that AMU is accredited by MACCA, reflecting our unwavering commitment to delivering world-class education and meeting globally recognized benchmarks of quality.

American Management University (AMU) is pleased to announce that its 120-hour TESOL certification program has been accredited by ACCREDITAT, a respected international accreditation body specializing in TESOL and language education. This accreditation recognizes that AMU's TESOL program meets rigorous international standards for curriculum quality, instructor expertise, and learner outcomes. With this distinguished endorsement from ACCREDITAT, AMU reinforces its commitment to providing exceptional language education training, preparing educators for successful teaching careers worldwide.

American Management University (AMU) is proud to announce that it has recently been accredited by the Independent Commission on Higher Education (ICHE). This full institutional accreditation certifies that AMU meets the rigorous standards set by the ICHE, ensuring the quality and integrity of its academic programs. The accreditation confirms AMU's commitment to providing high-quality education in accordance with established guidelines. This recognition marks a significant milestone for AMU as it continues to grow and expand its educational offerings to students globally.

Introducing **IIBM Institute of Business Management**

IIBM Institute of Business Management, a leading online education platform, is dedicated to empowering individuals to unlock their professional potential through engaging learning experiences. Offering a diverse range of programs tailored to enhance expertise, IIBM Institute partners with prestigious universities worldwide, including the Institute of EIASM (European Institute of Applied Science and Management), Paris American International University - France, Swiss International Management Academy - Switzerland, European School of Management and Leadership - Czech Republic, American Management University, SBLA Swiss Business and Leadership Academy, among others. Establishing its marketing operations in 2008, IIBM Institute quickly garnered widespread acclaim from working professionals. In recognition of its commitment to excellence, IIBM Institute was honored with the "Most Trusted Online Learning Institute of the Year" award.

Introducing American Management University's Ph.D.

The Doctor of Philosophy (Ph.D.) by Coursework and Research is designed for professionals and aspiring scholars who wish to develop strong research capabilities before undertaking independent doctoral research. This pathway is ideal for candidates who may not have extensive prior research experience but are motivated to build advanced academic, analytical, and research skills within a structured and supportive learning environment. The program provides a strong foundation in research methodology, academic writing, and critical thinking before guiding scholars toward the development of an original doctoral thesis.

About this Program

- ▶ The **Doctor of Philosophy (PhD) by Coursework and Research** at **American Management University (AMU)** is designed for professionals and aspiring scholars seeking to develop strong research and academic capabilities.
- ▶ This pathway is ideal for candidates who wish to **build advanced research skills** before undertaking independent doctoral research.
